

NEW TROPHY PROGRAM

Once again, RMMS is keeping you, the rider, in mind and has created a new way to reward you each race weekend for excelling in your class.

We know there are a lot of riders out there who have been racing for years and don't need or want another trophy. (Vets does this sound familiar?) We also know there are those out there who love to collect trophies and the more the better! (pee-wee's love the trophies!) RMMS has devised a system that will benefit the Vets the Pee-Wees and everyone in between. This program is a step ahead of anything that has been offered to racers in this area!

It's Simple...We will still be awarding the top 33.3% in every amateur class and 100% of pee-wees. What's new? **THE AWARDS!** You now have a choice...**a trophy or retail product**. We will be offering a traditional trophy of the highest quality from our proud sponsor and friends at Crown Trophy. In lieu of a trophy you can receive a **"Race Certificate"** redeemable at our Prize Trailer. With the backing of Tucker Rocky (Answer, MSR, Pro Taper) and many other great sponsors the Prize Trailer will be packed with high quality retail product for you to choose from.

The certificate amounts will be distributed as follows:

1st Place: \$30.00

2nd Place: \$25.00

3rd Place: \$20.00

4th Place & below: \$10.00 (top 33.3% of class)

Pee Wee Finisher: \$5.00

You can redeem them every weekend or collect them throughout the season and let them add up!

The choice is yours...the **finest quality trophy** or a **retail product** from leading companies in the industry...either way it's a **WIN!**
